

Title and Level of Qualification: Certificate II in Automotive Mechanical – Tyre Fitting Heavy

National Qualification Code: AUR 207 05 Duration: 12 months

Total of 13 units from Levels 2 or 3 are required

Level	Unit No.	Unit Title
-------	----------	------------

*Maximum of 2 Units of Competence at Level 3

1. Compulsory Units of Competence		
2	AURC 270103A	Apply Safe Working Practices
<i>Plus a minimum of 1 of the following units of competence:</i>		
2	AURC 272003A	Apply Environmental Regulations and Best Practice in a Workplace or Business (<i>applicable to tyre fitters and others not involved in mechanical repairs</i>)
2	AURT 271781A	Implement and Monitor Environmental Regulations in the Automotive Mechanical Industry (<i>applicable to mechanical repairers</i>)

2. Units of Competence		
<i>Select 8 units from the following group (4 units are compulsory, delete units not required)</i>		
*Compulsory Units		
2	*AURT217606A	Balance Wheels and Tyres
2	*AURT217665A	Remove, Fit and Inspect Wheel Assemblies
2	*AURT217966A	Remove, Inspect, Repair and Fit Tyres and Tubes (heavy)
2	*AURT217985A	Fit Tyres and Rims for Specific Applications (heavy)
2	AURC270789A	Communicate Effectively in the Workplace
2	AURT215170A	Inspect and Service Steering Systems
2	AURT216170A	Inspect and Service Suspension Systems
2	AURT217108A	Carry out Wheel Alignment Operations
3	AURT315166A	Repair Steering Systems
3	AURT316166A	Repair Suspension Systems
2	AURT270278A	Use and Maintain Workplace Tools and Equipment

3. Units of Competence		
<i>Select 3 units from the following group (delete units not required)</i>		
2	AURA254180A	Operate Information Technology Systems
2	AURC252327A	Identify, Clarify and Resolve Problems
2	AURC270421A	Establish Relations with Customers
2	AURE218676A	Test, Service and Charge Batteries
2	AURE224008A	Carry out Soldering of Electrical Wiring/Circuits
2	AURS242621A	Promote Products and Services
2	AURS252290A	Process Customer Complaints
2	AURT225667A	Use and Maintain Measuring Equipment

APPRENTICESHIPS FOR THE AUTOMOTIVE INDUSTRY

Last Updated March 2007

NATIONAL TRAINING PACKAGE

The Automotive Mechanical Tyre Fitting Heavy Vocational course is part of the Nationally Recognised Automotive Training Package AUR 05.

The components of a National Training Package are:-

- Units which define skills and knowledge required to perform specific tasks in the workplace
- Nationally Recognised Qualifications related to workplace requirements and based on industry Competency Standards

PROGRAM INFORMATION

The Automotive Tyre Fitting Heavy training is available as an Australian Apprenticeship through Quality Automotive Training.

The training is available using a number of delivery options designed to meet your specific requirements. These options are:

1. Day Release, 1 day per week
2. Block Release, 1 week per month
3. A combination of above with on-site training and assessment
4. Open Learning training delivery with on-site training and assessment

It is anticipated the program can take up to 12 months to complete.

COURSE / CAREER DETAILS

This Australian Apprenticeship is designed to provide people who are entering the Automotive Industry with Automotive Mechanical Tyre Fitting, Heavy skills and qualifications.

This Vocation will involve many practical tasks including fitting of new tyres to industrial equipment, heavy trucks / buses and earth moving machinery.

It may also include providing advice to customers on the most appropriate tyres for their particular application. Heavy Vehicle Tyre Fitters are often required to provide on site field service work using specially equipped trucks.

A Heavy Vehicle Tyre Fitter will repair and replace tubes and tyres and balance wheels. This is a demanding job requiring the handling of heavy tyres and wheel assemblies.

Tyre Fitters, Heavy Vehicle will need to develop skills in determining tyre wear so they can provide advice to clients on additional work that may be necessary on their vehicles, such as wheel alignment. This is particularly important when working with large transport company fleets.

Trainees will be required to operate within a safe working environment. Good customer contact and communication skills are also an important aspect of this Australian Apprenticeship.

This vocation can provide numerous career paths including:

- Specialising as a Qualified Heavy Vehicle Tyre Fitter
- Supervision or Management in a Specialist Tyre Business
- Continue studying to gain Automotive Mechanical Technology Qualifications
